

Time **TRAVELERS**

A Benefit of Midway Village Museum Members

WHAT IS TIME TRAVELERS?

Time Travelers is a free reciprocal membership network for historical museums, sites, and societies throughout the United States. The Missouri Historical Society created the program in 1998 so that members of historical institutions could receive exclusive benefits and privileges at museums and historical sites nationwide.

Currently, the Time Travelers program includes more than 300 organizations in more than 40 states across the country. Members of these organizations can receive a variety of exclusive benefits and privileges, **such as free admission, gift shop discounts, and much, much more.** Time Travelers is a museum reciprocal program and if you are interested in receiving these benefits you must join one of the museums listed on this site.

<https://timetravelers.mohistory.org/>

It is highly recommended to call ahead and do your own independent research on any institution you plan to visit.
